To *Cathy*

I would like to take this opportunity to say a big thank you on behalf of all the staff (and dogs) at Dogs Trust. Without the donations of our faithful supporters, both in terms of financial contributions and material donations (food, blankets, etc). Dogs Trust would find it extremely difficult to maintain the high level of welfare we provide for all the dogs in our care.

The donation you so kindly sent in has been gratefully received and shall be put to good use where it is most needed. Thank you once again for the generosity and compassion you have shown towards the ongoing welfare of the dogs at Dogs Trust West Calder.

With sincere gratitude

Susan
